Meet our golden/Shepherd/Labrador mix breed girl ... in fact we don't know what the mix is at all! She's just a mix of a lot of things ... a ton of cute and love!

Yep, I'm a good girl and I have the typical appeal that all "deserving" dogs have ... soft fur, sweet eyes, irresistible ears and because of my unfortunate past, some very, very needy behaviors :). Hey, you may as well know it up front ... I'm a neglected dog that hasn't had any training and I lack confidence. Initially, I may be a lot of work but I'm worth it!!! I'm hoping my status changes real soon! Initially, I was brought in with a belly full of puppies but my days of motherhood are long gone now. The people here made sure that my chances of becoming pregnant again are now ZERO - yes over! Please don't think of putting me in a cage for 10 hours a day because that just won't work - not for you or for me. And, don't chain me up to live outside for my lifetime because that kind of life is not in my plans. Keep in mind, I am a social animal - all dogs are - and that would lead to a very lonely existence! So let's find some balls, figure out a walking route, check out a few dog parks, and begin our life together. A life of love and friendship! My "thanks" to Olivia Mandala ... she's one terrific photographer! She made me look just as cute as I am in person :)!
